

School reopened for its 105th year on the 10th of September. There are 146 boys in all, of whom 36 are new boys. There are five new masters on the staff: the Rev. Mr. Sauerbrey, whom some of you may remember a few years ago on the faculty of Bishop's University, is Chaplain and teaches English and History in the Upper; Mr. Christie, Acadia University, is teaching Chemistry in the place left open by the resignation of Mr. Davis; Mr. Lowndes, U.C.C. and Trinity, Toronto, is teaching Maths and Physics in the Upper, while Mr. McMann, Dalhousie University, is a new Prep master. Mr. Farthing, who came to the Upper in the middle of last year, is now teaching in the Prep.

Prefects so far are Trevor Evans (Head Prefect) Frank Morkill, Louis Lemieux and Alan Finley. Head Boys are Christie, Jack Davis, Stanley Dodds, Fuller, Hampson, Horniman, Huggett, Peck, Pitfield, Price and Sheppard.

Lemieux is football Captain, and the team is being coached by Russell Blinco, Old Boy and former Maroon hockey star, and Mr. Lowndes. On Sept. 25th the team played Sherbrooke High School, winning 7-1, and on the 7th of October we played Stanstead to a tie, 9 all. In a later bulletin we will give you the line-up of the team, but at present it is still changing daily.

Of Godfrey Howard, David McLimont and Bob Cockfield, the only candidates in the province to get First Class Honours in McGill Matriculation last June, the two latter are at McGill, while Howard, after coming first in a competitive entrance exam, to Annapolis, missed his physical because of weak eyesight and is now trying to get into West Point.

Of our latest crop of Old Boys, six are at Bishop's - Stocky Day, Dickie McMaster, Doug Thorp, Fred Anderson, Biff Lynn and Leslie Davis.

Colonel Grier has left Washington and is now in Ottawa. He visited the School last week and looked very fit. Terry Grier, now six, is the complete baseball fan after his summer in the States.

Many visitors came to the School over Thanksgiving, but Old Boys were conspicuous by their absence, those who are still at Universities having left for three weeks' harvesting in Saskatchewan. In consequence the usual Old Boys' Football Match had to be replaced with Prefects-plus-Seniors versus Head Boys-plus-Neutrals Match, which the former side won. Prizes were presented by Principal McGreer of Bishop's, now a Director of the School, and Mr. Jackson Dodds took the chair. Bishop Williams, our oldest Old Boy, and the present Bishop of Quebec, Bishop Carrington, were also on the platform, with, of course, the Headmaster of the Prep, Mr. Page, and Mr. Pattison, the Acting Headmaster.

Old Boys who did manage to get here for the week-end were; Dave Landry, who passed into McGill with Senior Matric, Bob McCurdy, now living in Ottawa, John Flintoft and Jeff Lindsay, both AC2's,

Lieutenant Jack Cross, R.C.N.V.R., on leave from his submarine, F/O Allan (Riley) Hern, R.C.A.F., a P.T. Instructor at I.T.S., No. 3, Victoriaville, Que., and some anonymous Old Boy in a Fleet Trainer who practically flew into the Dining Hall at Lunch.

There are a few items about Old Boys of various vintages (no crack intended) picked up in the course of the summer and from such interested parties as the Head, Mr. Young, Mr. Patrquin, Miss Molony et al.

NAVY - P. T. Molson is instructing in Gunnery in Halifax, and C. C. Love is instructing in Navigation. Oggie Glass won the prize for most officer-like qualities on completion of his training and is now Divisional Officer at King's. Dave Hodgson is now training there, while Bobbie Stairs and Owen Grav both got into the Naval College at Esquimalt. Donald Dodds is in a corvette, Harry Trenholme doing Commando work, Dick Collier and Eric Hutcheson training down east. George Cross is manoeuvring a Fairmile somewhere off our East Coast and when asked if he had run aground yet claimed that it was too foggy to find any rocks. Grant Day has completed his training and is somewhere on the East Coast.

ARMY - Jack and Charlie Price, Peter MacDougall, Brian McGreevy and Donald Ross have been heard from Hong Kong, where they are prisoners. Brigadier Penhale commands a Canadian Infantry Brigade. Bill Shaughnessy writes that he danced with Her Majesty the Queen and the Princesses, and implied that Gibby Stairs and Hugh Mackenzie were at the party too, but we have not been able to confirm this. We heard from Bill Doheny the other day - he is with the 5th Canadian Infantry Brigade HQ in England. Dan is a prisoner after Dieppe. Peter Hertzberg is back in Canada doing some instruction. John Kenny is missing after Dieppe and also Tim Barott.

AIR FORCE - Peter Holt and Bill Bishop have both got their wings and commissions and have gone overseas. Ted Hugessen and Henry Morgan have also won wings and commissions. (Ken Hugessen, by the way, has been living in an iron lung all summer but is now able to leave it for a matter of hours at a time and is steadily improving.) There are three Seton brothers in the R.C.A.F., two of them Old Boys. Hugh is a P/O and instructor in Service Flying in Brandon; Dave got his wings last summer and is now overseas. Happening to come across a group picture of prisoners at a German camp, Mr. Patrquin spotted Jim Bredin (once Prep master), who, a Sgt. Pilot, was captured about a year ago. As far as one could see he looked pretty fit. Henry Holden, another Prep master is working at an operational job somewhere in England. Donald Stewart was killed in action during the summer. F.N.Dale has been promoted to Flt. Lieut. P/O Bill Jones is now in India.

As usual we want any news you can send us about yourselves and other Old Boys, both for the purposes of their Bulletin and for the compilation of the B.C.S. War Book. Let us know any changes of address and of rank that occur, both your own and those of your friends.
